

HOBO

THE PLAYFUL RAMINGO

"HOBO" is a tribute to the Street,
to the beauty of Change and Irrationality.

A simple moment of real life, in which the Thought of a Man,
meets the Instinct of his Dog.

Hobo invites the audience into his Extraordinary World to live the Risks
of his Perilous daily Life and to be Thrilled by the Danger
that one usually only experiences in their
most exciting Dreams

Hobo is a stunning Poetic and Acrobatic Experience
intertwined with Comic Improvisation which
leaves everyone with a Smile
